NOTICE

It is to bring to the notice of all professionals engaged in Pharmaceutical Industries, Hospitals, Academia & other related areas forecasting/practicing pharmacovigilance, that Indian Pharmacopoeia Commission (IPC), National Coordination Centre (NCC) - Pharmacovigilance Programme of India (PvPI) is organizing a nationwide skill development programme in January 2017 to cater to the needs of enhancing pharmacovigilance skills. The programme aims to enhance the knowledge & skill of qualified pharmacovigilance professionals working for ensuring better patient safety as per the requirement of Schedule Y of Drug & Cosmetics Act, 1940.

I urge the working healthcare professionals & their employers to be part of this programme in their own interest and for public good.

The detailed programme schedule is available at website:
